Council Finance Committee Meets to Frame the Ordinance.

REPORTS FROM COMMITTEES

Of Council Were Received, and the Situation Discussed Informally. In the Absence of Information Regarding Balances, the Committee Adjourned to Meet Again Friday Evening—Other Committees.

Last night there was a short session of the council committee on finance, at which it was proposed to begin the work of framing the annual appropriation ordinance, but in the absence of information regarding balances carried over from the preceding year in the several city departments, the committee adjourned to meet again Friday evening, when it is anticipated matters will be in shape to put the appropriations through.

City Clerk O'Brien stated to the committee that the revenues would be short this year in several particulars. The rejection of fourteen liquor license applications was a cut of \$4,200, and it was to be expected (in a campaign year) that the receipts from fines in police court would be cut \$5,000 or more. Then the health committee wants \$4,000 more than it received in 1899; increased demands from the police committee aggregate \$4,000, and \$2,000 from the committee on fire department. In addition there is \$124,000 in principal and interest on bonds to be cared for, of which \$82,000 is the principal on the retiring compromise loan.

The situation was discussed informally, and it was stated that owing to the general prosperity there ought to be an increase in tax receipts, but if this reaches \$5,000 it will meet expectations.

Committees reporting their necessities to the financiers were the following:

Police, \$23,000; eight additional officers and new workhouse contemplated if the amount named is secured. Health, \$12,000, of which \$8,500 is for the usual needs of the department and \$3,500 for the improvements now being made at the crematory plant on the hill. Scales, \$800; about the amount usually expected by this committee.

The fire department committee reported \$37,947, about \$2,000 more than is usually asked by this department. The equipping of the Fort Henry hose house and the salaries for half a year of additional firemen to be employed at the new house.

The estimate from the real estate committee not heretofore published, was submitted, and is as follows:

New water closets.....	\$500.00
Furniture and carpets.....	105.00
Ice.....	75.00
Winding clock.....	25.00
Whitewashing.....	25.00
Janitor's salary.....	780.00
Assistant to the janitor.....	480.00
Supplies.....	140.00
Repairs.....	250.00
Drugs.....	85.00
Hauling.....	8.00
Lighting, council chamber.....	120.00
Cutting grass.....	50.00
Total.....	\$2,888.00

The committee adjourned to meet Friday night.

It appears to be inevitable that the finance committee shall recommend to council, in view of the increased necessities of the departments and the coming due of the compromise bonds, that the refund proposition be again submitted to the people. That it will carry now that the situation is understood by the public, is generally believed.

To Inspect an Alley.

The council committee on streets, alleys and grades will meet at 3 o'clock this afternoon, to visit an alley—not Alley C, but an alley out in Manchester, which the Wheeling Mold & Foundry Company desires to grade so that it may have communication with the tracks of the terminal railroad.

Health Committee.

Last night the council committee on health met and acceded to the request of Contractor W. J. Hamilton, that \$1,000 be advanced him on his contract to reconstruct the city crematory.

CADIZ OIL NEWS.

In North township the well on the Benjamin Calcott farm, which was drilled into the sand some days ago, and plugged because it was dry, gathered a heavy gas pressure and blew out the plug with a tremendous force. The well has developed into a splendid gusher.

The 1,200 or more wells drilled in Harrison county, have produced about 2,500,000 barrels of oil. At an average of \$1.50 a barrel, the one-eighth royalty, which goes to the land owner, is about \$463,750. This added to the large amount paid for bonuses, timber and labor, makes a very large sum which has been poured into the pockets of the citizens of the county.

The future of the Harrison county farmer is a bright one.

THE BALL PLAYERS FINED

For the Playing of Sunday Games. Fines Aggregate \$210.

The Sunday base ball game cost the management of the Wheeling team about \$210, fines of \$5 and costs being assessed yesterday morning by Squire Rogers on the eighteen players, Umpire Colgan, Manager Wright, of the New Castle team, and Manager Lytle, of the Wheelings, twenty-one cases in all. The defendants were charged with pursuing their calling on the Sabbath day, and the law under which they were prosecuted is found in Section 16, Chapter 149 of the code, and is based on the old Virginia law.

The hearing at Squire Rogers' court was attended by Rev. Dr. Sooy, Rev. C. B. Graham and other ministers. Dr. Sooy and Squire Rogers had a little tiff during the proceedings, the former contending that the ball players should have been brought from the ball park to the city after the serving of the warrants, and that more warrants should have been issued after they resumed play, and additional ones until the game was stopped. It was pointed out to Dr. Sooy that every day constituted one offense, according to the law, therefore, there was nothing to prohibit the players from resuming the game that day after they gave bond for their appearance in answer to the warrants; also, that the players couldn't be hauled away from the grounds, since the justice was forced to receive substantial bond when offered.

Squire Greer was prepared to serve the warrants, through Chief Clemans, for the players, but Squire Rogers got into the game first. If another game is played next Sunday, there will be a race between some squires to get the trimmings first.

HAPPY LITTLE GIRL.

Her Father Learned How to Treat Her.

"While drinking coffee I visited a celebrated physician who told me that my severe headaches, languid feelings and inability to work were caused by the blood being very thick and sluggish, from the use of coffee. Since leaving off coffee and using Postum Cereal Food Coffee, I have recovered my energy, am able to work hard and feel brighter and happier in every way."

"My wife also uses Postum Food Coffee without any disagreeable after effect. She feels strengthened and invigorated with the Postum, while on the contrary, coffee made her weak and nervous. We also give it to the little girl every morning, and it would be a hard matter to find another child as bright and healthy as she is. We are great believers in Postum." H. A. Beckwith, E.
